

# Technical Specifications

|                                   |   |
|-----------------------------------|---|
| <b>Power output</b>               | 2 x 50 Wats (4 Ohm)   |
| <b>Outputs</b>                    | Speakers, Line out (fixed), Phono out   |
| <b>Inputs</b>                     | BT, 1x Line (analogue)  |
| <b>Speed</b>                      | 33, 45 (manual speed change)  |
| <b>Principle</b>                  | Belt drive  |
| <b>Platter</b>                    | 300 mm particleboard with felt mat  |
| <b>Main bearing</b>               | Stainless steel in bronze bushing   |
| <b>Tonearm</b>                    | 8.6” aluminium  |
| <b>Included accessory</b>         | Power supply, dust cover, remote control, speaker cables, Damp it, banana plugs |
| <b>Power consumption</b>          | 110W max  |
| <b>Dimensions (Juke Box E)</b>    | 415 x 118 x 334mm (WxHxD)   |
| <b>Weight (Juke Box E)</b>        | 5 kg netto  |
| <b>Dimensions (Speaker Box 5)</b> | 160 x 255 x 210mm (WxHxD)   |
| <b>Weight (Speaker Box 5)</b>     | 4.2 kg netto  |
