What is the?

Max Series

Our Max Series video gear is visible proof that excellent video quality can also be cost effective.

These cameras & recorders are full-bore IC Realtime video quality but have been engineered to win competitive bids for jobs that don't require cutting edge intelligent features - just great video security.

Capabilities

- High Quality HD 1080P
- 2MP & 4MP Cameras
- PoE or Local 12VDC
- Varifocal Lens
- IR Night Vision
- Built-in Audio Options
- Wide Angle Fixed Lens
- TAA Compliant Models
- Outdoor Weather Rated
- Vandal Resistant

The Max series adds both popular & useful features while staying cost-effective.
