FEATURES & BENEFITS

- + **Smooth Glass Top** - Easy to fit in a 36-Inch space, this freestanding professional electric range features a frameless glass top that is flush with the countertop giving it a seamless look that is easy to clean.
- + **Five Heating Elements** - Five element cooktop gives you the ultimate cooking flexibility with a powerful radiant cooktop. From a 100W warming zone to a high-powered 3,000W LightningBoil™ Element, this range gives you the power to master any meal.
- + **LightningBoil™ Element** - Get meals to the table faster with the 3,000-watt LightningBoil™ Element that provides intense heat for boiling or a controlled simmer.
- + **True Convection Fan** - The true convection fan blows heat from the 1300W heating element for more even heating and optimum cooking and baking results.
- + **LED Control Panel Lights** - When in operation, the LED control panel lights illuminate a striking blue for an added pop of color.
- + **Large Oven Capacity** - 6.0 cu. ft. oven capacity can accommodate multiple dishes for enhanced cooking.
- + **Heavy Duty Control Knobs** - Heavy duty, die-cast metal burner control knobs add style and durability.
- + **Brilliant Blue Porcelain Interior** - The brilliant blue porcelain interior adds a bold, stylish touch to your professional range.
- + **Multiple Cooking Modes** - Multiple cooking modes including bake, convection bake and broil give you the flexibility you need to create masterful meals.
