**SEASHELL**

 **elica**  
aria nuova

Seashell is a hood characterized by its large dimensions, making it perfect for spacious island kitchens. Made from exclusive materials, it perfectly combines the functions of a hood, lamp and its perimeter aspiration offers benefits for the highest performance. In addition, its round shape and bright lights give it the appearance of a stylish pendant lamp.

The ideal complement for a refined and contemporary kitchen is Seashell, which has a remote control and is available in stainless steel.
