

Blayne Floor Clock 611236

Make a stunning mark on your home or office with the Blayne Grandfather Clock. This elegant timepiece shines thanks to its silver finish, inset mirror panels, and timeless choice of Westminster or Ave Maria chimes.

Functionality: Function meets fashion with this beautiful silver floor clock. The clock has a white gloss dial with chrome hour markers and hands, and a polished chrome-finished bezel. The pendulum is a polished, chrome-finished, with weight shells that continue the linear look that is evident on the exterior. The clock will grace your space with your choice of full Westminster or Ave Maria chimes with strike on the hour with 1/4, 1/2, and 3/4 chimes accordingly, Westminster chime and strike on the hour only, or Bim Bam chime on the hour only. It also features volume control and an automatic nighttime chime shutoff option.

Style: The Blayne grandfather clock has a beautiful silver finish on select hardwoods and veneers, accenting its timeless design with inset mirror panels and beveled glass. The interior of the clock's case is aglow with a glass mirrored back and bottom, as well as a removable upper-back panel for convenient access to the movement if needed.

Quartz Movement: This silver grandfather clock has quartz, triple-chime Harmonic movement and requires four C sized batteries.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
