NOTES

- Safety locks prevent the furniture from gliding while reclining.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Swivels a full 360 degrees.
- Glides or reclines from any swivel position.
- Swivels in all directions while reclined.
- Safety locks prevent furniture from rocking while reclining.
- Safety locks prevent the furniture from rocking while reclining.
- Power allows you to smoothly recline to any position.
- A single USB port is included on each power button control on styles with arms.
- Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
