Main Features

8 programs 3 wash temperatures Prosmart Inverter Motor Active Fan Drying 45dBA wash noise level Program follow-up display Time delay up to 1-24 hrs. Auto tablet detergent function 1/2 Load function Sanitize function SteamGloss function AquaIntense function 3 way euro filtering system Front adjustable rear feet Interior highloop with air gap Power plug

Interior design

All stainless steel tank
Three spray arms (lower, upper and ceiling)

Ultra - Premium rack loading system

Multipupose Removable Cutlery Drawer Easy Fold loaded adjustable upper and lower rack Stainless Upper & Lower rack handle 4 adjustable mug shelves Sliding cutlery basket Stainless Beko embossed upper rack handle

Color

DDT28430XP: Stainless steel

FEATURES

14 Place settings

Blomberg dishwashers can perfectly clean dishes upto 14 place settings without leaving any piece of cutlery out.

AquaIntense

Creates a power zone in the right hand side of the lower rack by providing intense water pressusre. This specially designed 180 degree rotating spray arm with a 360 degree rotating head, helps water reach every single angle to clean heavily soiled pots and pans. This feature provides up to 5 times improved cleaning based on Pots & Pans+ program.

SteamGloss

Provides extra 10-18 minutes of intense heating to minimize water stains. This feature provides up to 70% more glossiness on glasses.

Auto Tablet

Sensors detects rinse aid and automaticly sets drying cycle duration. This provides the best drying results without any concern.

AguaFlex

It is the most suitable washing programme for daily mixed dishes including plastic items. While delicate glass items are washed in the upper basket, pans and trays can be washed in the lower basket.

Prosmart Inverter Motor

Variable speed circulation motor allows to use optimum necessary amaount of water and energy. Due to magnetic design the motor has no persistent low frequency sound, and creates less vibration.
