

New French Door Freestanding Refrigerators

External Ice and Water Dispenser - 500 Series

BOSCH

Invented for life

Introducing the industry's fastest refrigerator ice maker.*

Enjoy freshly filtered ice, replenished fast. With a refrigerator that makes up to 40 glasses of ice per day**, say farewell to frequent ice runs to the store.

QuickIcePro System™

The innovative QuickIcePro System™ combines three technologies to produce fast freshly filtered ice in your refrigerator.

1 Industry's fastest refrigerator ice maker*

The QuickIcePro System™ offers freshly filtered ice, replenished fast. With a refrigerator that makes up to **12 lbs.** of ice per day**, for up to **40 glasses****, say farewell to frequent ice runs to the store.

2 Fresh filtered water with UltraClarityPro™

The UltraClarityPro™ water filter reduces >99.9% of sediments that may be found in your water and ice, including harsh elements like chlorine and chloramine.

3 Hands-free with BottleFill

Fill your favorite glass or bottle hands-free using Bosch's advanced BottleFill technology. Fill your favorite container once, press BottleFill to save the quantity, and enjoy a hands-free fill each time thereafter.

*Based on single ice maker production rates during a 24-hour period, measured per IEC standard and manufacturer user's manuals, for brands identified in US and Canada TraQline as freestanding French door bottom mount refrigerators.

**Based on single ice maker production rates during a 24 hour period, measured per IEC standards, when the ice bin was removed. Results may vary depending on operating conditions. Based on filling 8 oz. glasses.

True counter-depth

Our sleek, freestanding refrigerators sit flush with the countertop for a built-in look and feel.

Interior design details

Our new freestanding, counter-depth refrigerators are beautifully designed in both form and function with stunning LED illumination from corner to corner, and a cool stainless steel back wall.

Connected refrigeration

The Home Connect™ app enables you to receive open door notifications for peace of mind, or remotely connect with a servicer with remote diagnostics for the ultimate convenience.

Filtered crescent ice

Enjoy bountiful crescent shaped ice, easily accessible from the exterior ice and water dispenser. Use the freezer bin for additional ice storage, or fill the full-width freezer drawer for times when you need extra ice available.

Easy to clean

Keep your kitchen looking beautiful with easy-to-clean stainless steel. Simply wipe with a damp cloth, or use a non-abrasive cleaner – stainless steel cleaner is not necessary.

Guards against scratches

Bosch black stainless steel helps guard against scratches and fingerprints. Simply wipe with a damp cloth for easy cleaning.

Freshness technologies to keep your food fresher, longer.

VitaFreshPlus™

Balances temperature and offers customizable humidity, for the optimal environment for your fruits and vegetables. Two bins allow for ample storage and organization, each bin with separate humidity control.

MultiAirFlow™

Evenly circulates cool fresh air to maintain consistent temperatures throughout the entire fridge cavity, including door bins and back corners. With no more warm or freezing spots, foods stay fresher – wherever you place them.

AirFresh® Filter

Absorbs even the toughest food odors, keeping your refrigerator air fresh. Plus, the filter is designed to last the life of the refrigerator, meaning it never needs to be replaced.
