GREAT VALUE

Sleep Fact #

42

The average human spends 25 years sleeping and 6 years dreaming.

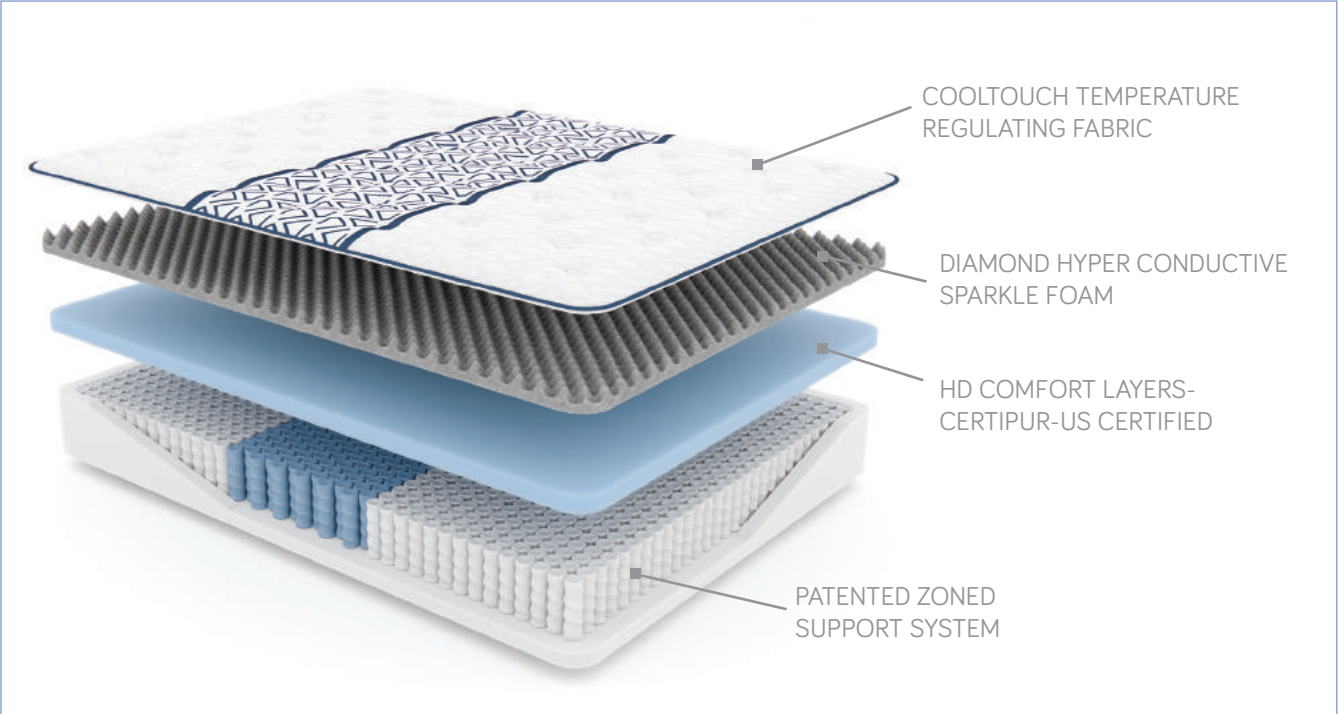

# Intention

The Intention mattress' blend of temperature-regulating technology responds to your body for a soothing atmosphere to sleep in every night. Hyper Conductive Sparkle Foam and Cool Touch Fabric recalibrates your core temperature down to where it needs to be to fall asleep naturally. Fall into a restorative sleep so you can wake up as you were intended.

Sleep Fact #

10

Lack of sleep can affect your memory as sleep triggers changes in the brain that solidifies memories.

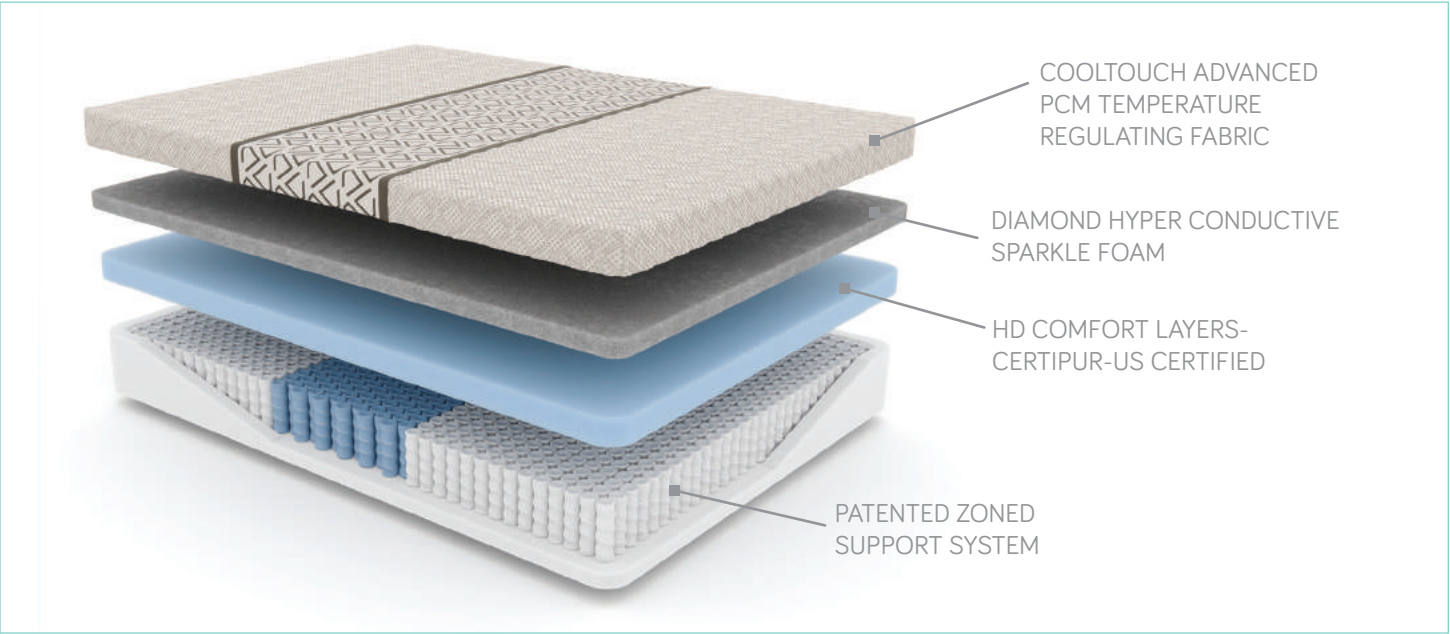

## FEATURES

-  COIL/FOAM HYBRID
-  HYPER-CONDUCTIVE FOAM
-  COOLTOUCH FABRIC
-  MID-RANGE

# Faith

The Faith mattress features Diamond's CoolTouch Advanced PCM fabric, the most responsive temperature-regulating fabric on the market. This unique material combined with our hyper conductive Sparkle Foam, responds to your body's temperature, absorbing heat and actively recalibrating your inner core to be exactly where it needs to be to fall asleep naturally.

## Sleep Fact #

63

Ideally, falling asleep at night should take you 10-15 minutes. If it takes you less than 5 minutes, chances are you are sleep deprived.

## FEATURES
