

# Faith

The Faith mattress features Diamond's CoolTouch Advanced fabric, the most responsive temperature-regulating fabric on the market. This unique material responds to your body's temperature, absorbing heat and actively recalibrating your inner core to be exactly where it needs to be to fall asleep naturally.

### Sleep Fact #

63

Ideally, falling asleep at night should take you 10-15 minutes. If it takes you less than 5 minutes, chances are you are sleep deprived.
