

# 1500 SERIES

Take music and movies to the next level with the Episode Signature 1500 Series. Titanium components mean lighter, more rigid support that improves dynamics across the board.

- **Vacuum-Deposited Titanium Polypropylene Woofer** – Forward-set for wide dispersion and punchy bass.
- **Vacuum-Deposited Titanium Adjustable Silk Dome Tweeter** – Direct sound where you want to create immersive experiences.
- **Ribbed Surround** – Ensures linear cone movement for tighter bass and less distortion.
- **Multiple Grille Options** – Magnetic, one-step paintable grille keeps the speaker out of sight, available in a variety of design options to fit your installation needs.
