The **Harwich Upholstered** collection boasts a timeless sophisticated design. Its rich semi-gloss espresso finish gives a captivating depth of color complimented by chic lines and panels. Featuring a tall upholstered headboard, this platform bed is complemented by a unique taupe fabric and a fashionable studded trim. A subtle but beautiful overhang panel completes the storage footboard and also reoccurs throughout this group's stunning case pieces. Offering plenty of storage space, this collection's case pieces combine modern tapered feet with traditional brass finished pull knobs to complete this stylish look.
