## Product Details

- Blue Steel Spring unit
- Attached back cushions
- Attached high-density seat cushions
- Close wall proximity allows you to open and recline in any position with the furniture positioned only four inches from the wall.
- Power mechanism allows you to smoothly recline to any position with the touch of a button.
- Power headrest mechanism allows you to adjust the headrest with a touch of a button.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently.
- Single USB port is included on each power button control.
- Home buttons return the headrests and footrests to their original positions.
- Removable backs allow for easy lifting and maneuvering through doorways.

## *Tufting and puckered stitching displayed on a traditional style.*

Devon's profile includes puckered stitching and a tufted back, which provides contrast and style while delivering extreme comfort and relaxation. Feel content while you lean back and rest your feet on the fully padded footrest. Optional nailhead trim outlines the front of the arms adding flair to its traditional design. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a dual power button allows you to independently adjust the headrest for custom relaxation.
