

TM

A futuristic, cylindrical grill on wheels. The grill has a black top, a silver perforated metal body, and a black base with four wheels. It is positioned outdoors in front of a modern building with a glass facade and palm trees under a clear blue sky. The text is overlaid on the image in a white, sans-serif font.

Element by Fuego represents the start of something new. It's flaunt-free intelligence. It's the cool of innovation, the no-nonsense of functionality, the joy that comes with discovering the next big thing. And, in this instance, it's the Element grills—the hottest thing to hit the barbecue since the burger.

White or Red

Wheels With Locking Casters

Dual Zone Burner

Grilling with the powerful 24,000 btu/hr dual zone burner distributes heat evenly over the entire 21" grill surface.

Patent Pending Control Valve

Element's unique single dial control gives you full command over dual zone burner selection as well as choices of high to low temperature settings.

Direct cooking Zone 1+2

For the optimal open grilling experience, adjust the temperature from high to low covering the entire grill surface with both zone 1 and 2 burners.

Indirect Cooking Zone 1

Barbecue or slow roast with the fully independent outer burner. With the lid closed, the adjustable 15,000 btu outer burner creates convection like cooking.

Grilling

With its full-throttle 24,000 btu Dual Zone Burner, Element sizzles up high-temperature searing and grilling in style.

Barbecue and Roasting

We're talking about love, people—about meat-falling-off-the-bone beauty, about hours of tenderizing perfection.

Pizza Stone Baking

What's it going to be? Garlic and pesto? Sausage and olives? Thin or thick crust? Pizzas are easy with our optional 20" Pizza Stone.

Giddle Flat Plate

Hot-sear and grill peppers and onions, Steak Florentine or shrimp in the shell with Element's optional cast iron hot plate.

Portable Gas Grill

elementbyfuego.com

A woman with dark hair, wearing a black and white striped short-sleeved shirt and denim shorts, is walking on a grassy dune. She is carrying a red and black portable gas grill under her arm. The background shows a blue sky and the ocean. The text is overlaid on the right side of the image.

The Element Portable Gas Grill. Gear up for tailgating, hand-toting, fold-and-fling fun on the go. We're talking the Element Portable—a grill so hot it won't stay put.

Red travel band

Locking legs fold into
carry handle

Finish in black powder
coated steel

Steel lid with insulated
handle

Enamel coated
cast iron grate

Variable control valve
(14.1 or 16.4 oz propane
cylinder not incl.)

Removable residue tray
(dishwasher safe)

Powerhouse Performance
Roaring 8,000 btu/hr stainless steel burner fires up an unbeatable 350-650° F.

Grab and Go Ease
Legs fold into a handle for easy toting and a travel band keeps it compact and secure.

Cooks for a Crowd
A generous 159 sq inches of grill space and an enamel coated aluminum steel grate let you grill up a feast for the whole gang.

Hands-Free Carrying
Shoulder strap clips on to the frame for fold-and-fling, no-hands carrying.
