

GE Profile™ Series Stainless Steel Interior Dishwasher with Hidden Controls

Model# PDT845SMJES

- Advanced wash system with more than 140 cleaning jets - Achieve the ultimate clean from an industry-leading number of jets that deliver complete washing coverage to every corner of the dishwasher
- Deep Clean silverware jets - No matter how you load your silverware basket, powerful jets blast away stuck-on food for silverware that's always spotless
- Bottle Jets - Clean hard-to-reach areas inside tall items with dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean
- Easy touch adjustable upper rack with 2 Stem Safe shelves - Quickly adjust the upper rack 2 inches up or down to accommodate tall glassware and 10 ½" plates with plenty of room in the bottom rack for large platters and cookie sheets
- Full extension smooth glide upper rack with fold-down tines - Easily fit large or odd-shaped items in the upper rack
- Hidden vent with fan dry and hidden heater - Get dry and table-ready items every time thanks to a 1,000-watt hidden heater and fan that circulates the air to remove moisture
- Reversing quad blade wash arm - Dishes come out impressively clean thanks to this revolutionary lower wash arm, with 25 spray jets reversing direction to hit items from every angle
- LED status indicator on door - A dishwasher this quiet has a status light to let you know it is running
