

# GE® ENERGY STAR® 4.8 DOE cu. ft. capacity RightHeight™ Design Front Load washer

Model# GFWR4805FRR

- Built-in riser - Comfortably load and unload clothes, and use the top as a folding surface, with this factory-installed riser
- Overnight Dry - Laundry couldn't be easier with an option that washes and dries a small load of clothes in 8 hours or less without having to move the load to the dryer
- Stain Removal Guide - Clean 5 of the most common stains with preprogrammed settings that modify any cycle to help remove blood, tomato, wine, dirt and grass
- Steam Assist - Cleans dirty clothes by loosening soils before the wash begins with steam vapor in the washer
- Adaptive Vibration Control - Enjoy more peace and quiet thanks to heavy-duty springs, vibration dampeners and a balance ring infused with counterweight bearings designed to offset out-of-balance loads
- Max Rinse - Enjoy the maximum level of rinsing action with the industry's only third fresh water rinse and spin
- Single Item Cycle - Enjoy the convenience of washing a small load or bulky blanket with this unique cycle that manages out-of-balance loads and saves water, energy and time compared to any other cycle with single item
- Precision Dispense - Great cleaning performance is enhanced with a dispenser that distributes fresh detergent multiple times throughout the wash
- Power Clean - Effectively clean heavily soiled fabrics with this cycle that uses a built-in soak time, extended wash times and more vigorous wash action

- Pre-Soak - Conveniently soak clothes in the washer by specifying soak time in 30-min. increments—up to 8 hours—before the washer automatically starts the wash cycle
- Sanitize Cycle - Feel comfort knowing clothes are sanitized\* and 99.9% of bacteria has been removed thanks to an internal water heater that boosts the water temperature\*Certified by NSF Protocol P172 Sanitation Performance of Residential Clothes Washers
- Allergen Cycle - Remove up to 99% of pet dander and dust mite allergens\* with this cleaning cycle that reaches 131°F \*Meets NSF Protocol P351
- LED light - Find that last sock in the washer and dryer thanks to a bright, energy-efficient and long lasting LED light
- Active Wear Wash Cycle - Finding the right setting for workout clothes is no sweat thanks to a cycle designed specifically for cleaning performance fabrics
- No-Slip Grip - Easily select settings and start cycles with wet or soapy hands thanks to a dial designed with a rubber exterior for a more reliable grip
