

To do what we can to protect our home community of Stillwater, we are temporarily closing the doors to the KICKER Visitors Center and Museum, until further notice.

Stillwater Designs and KICKER itself, including orders and shipping, will continue to run under normal business operations.

Thank you for your patronage and patience, and please plan to visit the KICKER Visitors Center when it opens again. If you want to visit a **local KICKER dealer (/dealer-locator)** in your area, we recommend calling ahead to confirm store hours and availability.

15" CompVR 2 Ohm

\$219.95 USD

ADD TO CART

The KICKER® CompVR® Subwoofer gives you incredible bang for the buck. Emphasis on bang!

15" CompVR 2 Ohm

The CompVR 15-Inch Subwoofer is a 2Ω dual voice coil design, built for easy wiring.

The CompVR offers some of the clearest, loudest bass from KICKER's round subwoofer lineup. With our exclusive SoloKon™ technology, flex and distortion are a thing of the past.

The CompVR 15-Inch Subwoofer works best with a sealed or ported enclosure and 500 watts of recommended power. See below for more details.
