## FEATURES YOU CAN TRUST

Drawers feature positive drawer stops and side mounted, ball bearing extension guides.

Drawer fronts are constructed with English dovetail joinery.

Drawer interiors are sanded and stained for a finished drawer interior.

All beds feature bolt-on rails to ensure secure attachment and to prevent rails from accidentally unhooking.

Plywood Slat Rolls, included with every bed, create strong foundation to support mattresses.

Dressers, Bureaus, Chests, Desks and Night Stands include anti-tip hardware.

All items use lead-free finishes.

Most beds offer low and high rail positions to accommodate underbed storage and growing children.
