MDR-AS210/P

AS210 Sport In-ear Headphones

Enjoy your favorite music while exercising, running or playing sports with the lightweight, water-resistant¹ headphones that aren't afraid of sweat, rain and active lifestyles. Let the clean, crisp sound drive you, while the adjustable ear loops stay put and the extended length cord gives you plenty of room to move. If you're active, they're ready.

Features

Take your music anywhere

Whether it's at the gym, on a run or anywhere in between, these lightweight clip-on headphones are made for active lifestyles.

Enjoy a secure fit in any activity

Adjustable loop hangers clip securely to your ears, so they won't fall out even during the most rigorous workouts.

Ready for rain and sweat

When the rain or sweat beats down, water-resistant¹ headphones will keep on playing throughout your training.

Hear every detail crisp and clear

Let the pure, energized sound of the 13.5mm high sensitivity drivers keep you going until the very end of your workout.

A more stable fit

The angled ear bud structure helps maintain a stable and secure fit in your ears, so your headphones stay put.

1.2m tangle-free serrated cable

Free up your movement with a cord that's long enough for the treadmill or the streets.

Work hard, look good

The sporty design comes in a choice of several colors to fit your style.

Convenient clip supplied

Keep wires securely attached to your clothing or gear, so they stay out of the way.
