

Chrysler Multikit 2007-up*

*Visit MetraOnline.com for up-to-date vehicle specific applications.

- D** ISO DDIN radio provision
- T** Textured

This kit provides the ability to install a ISO DDIN (“long nose” or “short nose”) radio replacement. Two sizes of trim panels accomodate the different radio styles.

KIT COMPONENTS

- “Long nose” (wide) DDIN trim panels
- “Short nose” (narrow) DDIN trim panels
- ISO DDIN radio brackets
- (4) #8 x 1/4” Phillips screws
