

Model: **UNI-PDS**

Weight Capacity: 50 lb. | 22.68 kg

Features

- 1** Patent-pending GearBox™ provides storage for expensive A/V and IT components such as the PCs and Mac minis™, and is secured with Lock-It™ security hardware
- 2** Mounts to dual wood studs (16 inch, 18 inch or 24 inch spacing)
- 3** Tuck away signal and power cables through the arm and into the GearBox™
- 4** Supports short-throw projectors by extending 6 inch to 27 inch from the wall
- 5** Includes PDS-PLUS projector mount for +/-16.5 inch pitch, +/-7.7 inch roll and 41 inch yaw

The UNI-PDS combines the universal PDS-PLUS-W mount with a universal short-throw projector wall mount. Offering more adjustment options than any other projector arm, the UNI-PDS extends 7 - 27 in. or up to 67 in. from the wall when used with an optional arm extension. It does not require a stud located in the center of the whiteboard or screen and mounts to dual studs at 16, 18, or 24 in. spacing.

Universal Short-Throw Projector Wall Mount

UNI-PDS
