

RAZOR MOUNT

— S E R I E S —

ENGINEERED FOR QUALITY

Strong™ Razor mounts are designed with the highest quality standards, featuring cast and machined steel that offers supreme durability and comes with a lifetime warranty. Strength, reliability and safety are guaranteed thanks to stringent industry certifications from Underwriters Laboratories (UL).

LOW-PROFILE DESIGN

Give flat panel installs a sleek, tidy look. Starting at .4" from the wall, these low profile mounts are designed to make ultra-thin TVs look their absolute best.

EQUIPPED WITH SMART FEATURES

These mounts feature fingertip motion to allow for fast, easy adjustability, and built-in kickstands that provide easy access to the sides and rear of the TV. LokTight™ tabs provide extra security and prevent curious kids from lifting the TV off the wall, while a home latch prevents heavier displays from wandering away from the wall or sagging over time.

FIXED SERIES

The perfect mount for today's ultra-thin TVs, these low-profile mounts sit just .4" off the wall, offering a clean, finished look without the bulk. Featuring LokTight™ tabs to ensure TVs stay in place and an adjustable safety release ring for easily adding new devices, the Razor Fixed series was designed with both safety and aesthetics in mind.

MODEL #	MIN-MAX TV SIZE / WEIGHT
F-XL	55" - 90", 150 lbs.
F-L	37" - 65", 100 lbs.
F-M	26" - 42", 100 lbs.

TILT SERIES

Featuring simple fingertip adjustments, the Razor Tilt Series offers the perfect amount of tilt for the best viewing angle every time, and sit less than 1" off the wall. Adjustable from 5 to 15 degrees with locking screws to hold the TV in place, these mounts also offer home position latching, locking the panel into place against the wall when needed. LokTight™ tabs provide extra security while the adjustable safety release ring offers easy access to the TV connections.

MODEL #	MIN-MAX TV SIZE / WEIGHT
T-XL	55" - 90", 150 lbs.
T-L	37" - 70", 100 lbs.
T-M	26" - 42", 80 lbs.

ARTICULATING SERIES

For the ultimate in viewing versatility, the Razor Articulating series offer a low profile solution at a mere 1.6" off the wall, extending out up to 25.5", and swiveling capabilities up to 180 degrees. Curved cast-aluminum arms are lightweight and easily maneuverable, making viewing adjustments smooth and fluid. With both single and dual arm options for larger displays, these Razor Articulating mounts provide the perfect TV placement every time.

MODEL #	MIN-MAX TV SIZE / WEIGHT
ART2-XL	47" - 80", 100 lbs.
ART2-L	37" - 65", 100 lbs.
ART1-M	22" - 46", 50 lbs.
