13" Profile

Cold Touch™ Cover

This breathable knit cover gives you an instant cool-to-the-touch sensation the moment you lie down.

Carbon Fiber Memory Foam

Carbon fibers embedded in the foam channel heat away from your body and provide exceptional strength for back and neck support.

Gel Active® Max Memory Foam

This open celled memory foam helps promote airflow, so you don't have that hot, stuffy feeling when falling asleep.

1250 iComfort® Hybrid Support™ System with BestEdge® Foam Encasement and Lumbar Support Core

In this advanced innerspring system, individually wrapped coils work independently to conform to every curve of your body and provide durable support.
