

THE FIRST. STILL THE BEST.

VIKING PROFESSIONAL 3-PLY MIRRORED FINISH 17 PIECE SET

This set features vented glass lids that make it easy to see what is happening during the cooking process while also reducing the chance of boil-overs. The interior of the saucepans and stockpots are marked with easy-to-use measurement markings so you know how much rice or liquid to add. The bonded construction features a magnetic exterior layer of stainless steel that makes the pans induction compatible. You can lift the cooked pasta right out and strain it over the pan, keeping your pasta water hot to cook another batch or use for finishing a sauce. The multipurpose pasta insert is great for steaming shellfish, cooking seafood, and much more. The lids are oven safe to 350 degrees Fahrenheit, making it easy to finish a dish in the oven or even bake an entire casserole in the pan and take it right to the table for serving. All of the lids and cookware are dishwasher safe, but we always recommend hand washing to help maintain the mirror-polished finish and extend the life of the cookware.
